Portfolio

Education

Master of Science in Data Science

Philipps-Universität Marburg

Marburg, Germany

April 2025

Bachelor of Science in Computer Science

Sir Syed University of Engineering & Technology

Karachi, Pakistan

January 2020 – March 2024

Professional Experience

Junior AI/ML Engineer

Tesseract Innovations (Pvt) Ltd

Pakistan

November 2024 – April 2025

- Designed and deployed machine learning models for production environments, optimizing performance and scalability
- Developed automated ML pipelines for data preprocessing, feature engineering, and model training
- Collaborated with cross-functional teams to integrate AI solutions into existing business processes

Generative AI Engineer

Askari Technologies

Karachi, Pakistan

April 2024 – September 2024

- Built and fine-tuned large language model applications using LangChain and Retrieval-Augmented Generation
- Developed custom RAG systems to improve retrieval accuracy using vector databases
- Implemented intelligent chatbots and conversational AI solutions for customer-facing applications

Technical Skills

- AI/ML:** Large Language Models (LLM), NLP, Machine Learning, Deep Learning, Computer Vision, Retrieval-Augmented Generation (RAG), Predictive Analytics, Model Deployment
- Frameworks & Tools:** LangChain, TensorFlow, PyTorch, Scikit-learn, Hugging Face, OpenAI API, Vector Databases
- Programming:** Python, SQL, Linux, Git, Docker, REST APIs
- Data Engineering:** ETL Pipelines, Data Preprocessing, Feature Engineering, Model Optimization

Awards & Achievements

- Silver Medal: 39th IEEE Student Seminar – awarded for the Smarty-PIE capstone project
- 1st Place: Developer's Day 2023 Hackathon (FAST University) – led team to victory in an AI/ML competition
- 3rd Place: SSUET Job Fair and Project Exhibition, 2024

Languages

English: Fluent, spoken and written

German: Basic knowledge (currently living in Germany)

Marburg an der Lahn, December 9, 2025
